

Week Three

Passage: Psalm 71:15-16, Psalm 19:14

What was one thing that God spoke to you about from this passage?

Was there something in the sermon that really connected with your heart?

What is God showing you that maybe needs to be "Reset"?

Are you willing to let God "Reset" your voice? If so, write a prayer to Him to express your desire

Who can you share what God is teaching you with, to encourage them but also to hold you to do it?
